**Chase Vodka** 50ml (Herefordshire) £7.50

Chase Distillery is the first and only company to produce an English Potato Vodka. Smoother than grain and rye based spirits, Chase retains a thick, buttery taste from the potatoes.

**Williams Chase Gin** 50ml (Herefordshire) £6.50

Did you know that you need vodka to make gin? Chase Distillery turned organic cider apples into vodka and used this to make the gin. The true taste of junipers is highlighted by the citrus and the sweetness of the apples, elderflowers and hops.

**Johnnie Walker Black Label** 50ml (Ayrshire) £7.00

With its origins in the 1870's Johnnie Walker is regarded by experts as the ultimate Scotch deluxe whisky, the benchmark by which all others are measured.

**2009 Bacchus, Chapel Down** 75cl (Kent) £36.50

The grape variety "Bacchus" is named after the Roman God of wine, and flourishes in cooler climates. Intense aromas of elderflower with a zesty combination of pink grapefruit, green apples and sherbet.

**Pimm's Classic Cocktail** (Pimm's No 1, lemonade, fresh mint, cucumber, orange and strawberry) £7.50

London gents loved to partake in oysters and knock back bitter gin until shellfish-monger James Pimm opened his famous oyster bar in 1823 and patrons enjoyed oysters with the Pimm's 'house cup' flavoured with liqueurs and fruit extract, this more palatable 'gin sling' kick-started the PIMM'S story.

**Bobby Burns Cocktail** (Johnnie Walker Black Label, Benedictine D.O.M. and Martini Rosso) £9.50

## SPECIALITY BEERS FROM EUROPE

**Hopfenkönig** (Schloss Eggenberg/Austria) 5.1% 33cl £3.95

Hopfenkönig is a pils style beer with a delicate flavour, fermented and subsequently matured for twelve weeks in the historic cellars of Eggenberg. Eggenberg once belonged to a Benedictine monastery but has since been in the possession of the family Forstinger-Stöhr for over 200 years. Beer has been brewed in Schloss Eggenberg since the 14th century and the 'liquid bread' was produced exclusively for the inhabitants of the area at that time.

**Menabrea 1846** (Menabrea/Italy) 4.8% 33cl £3.95

A premium strength lager beer, with a full flavour and distinctive, light colour. Brewed in Italy's oldest brewery at the foothills of the Italian Alps, this pilsner-style lager is truly a beer drinker's beer. Additive free, it is the only Italian lager still brewed using a completely natural "slow fermentation" process, that makes use of spring water from the Alps and ingredients from the Czech Republic, Germany and France.

**Eastgate Ale** (Weetwood Ales/Cheshire) 4.2% 50cl £5.75

This golden ale from the Cheshire brewery Weetwood is brewed to commemorate the centenary of Chester's Eastgate Clock. The fruity foretaste is followed by a mellow, acceptable finish of hops.

**Westons Organic Cider** (Westons/England) 6.5% 50cl £5.95

Westons have been producing cider in the Herefordshire village of Much Marcle for 130 years. The Organic Cider has won the 2001 IFE Gold Award and been voted "Best Alcoholic Drink" at the Organic Food Awards in 1998, 2003 and 2004. It is an easy drinking cider with a ripe apple aroma and a well balanced fruity flavour.

**Bohemia Regent Draught** (Regent/Czech Republic) 5% ½ pint £2.25

"Let us make merry, with our hop and ale, it has God's very strength, so soon all shall be well." This verse is written on the entrance to one of the oldest beer breweries in the world. Not many breweries in Europe can be as proud of their heritage as the brewery in Trebon which was founded in 1379. A premium beer with a nice hoppy taste and of medium bitterness that gives this beer good drinkability and makes it therefore very popular.

**Orval Trappist Ale** (Orval/Belgium) 6.2% 33cl £4.95

Orval, often referred to as The Queen of Trappists, was first made in 1931, and has a complex and unusual flavour and aroma produced by a unique strain of yeast. The beer is light in colour, slightly cloudy, and has a large, foamy head. As with all other Trappist breweries, the beer is only sold in order to financially support the monastery and some other good causes. All of the profits from the sale of the beer are distributed to charities and for community development around the region.
