

# La Cantina

## TAKE OUT MENU

Here at La Cantina, our aim is to bring a little taste of Italy to the heart of Chester. We are a small family run caffetteria/bar/deli/ristorante and provide simple light homemade dishes every day. On Thursday to Saturday evenings we provide two or three main dishes made from fresh Italian and some local ingredients.

We are able to accommodate private parties, where you would have sole use of La Cantina. We offer a range of dishes available to choose from for these evenings. Ideal for family get togethers, work nights out or just for a big group of friends.

We are also able to offer platters for collection. Well priced and a different selection to your regular platter, they're worth enquiring about.

Further details are available on our website:
